## Press Release 3

### *New Home*

Red Sands Radio the local radio station that has to date broadcasts from the Offshore Forts has found a new home

Said project-redsand chairman Robin Adcroft, "The WWII original fendering collapsed in the winter storm, it's staggering it lasted 65 years! We've cut away the debris and are in the process of remaking replacement steelworks, but this won't be completed in time for the Red Sands Radio broadcasts"

However, Whitstable Angling Club has come to the rescue and offered Red Sands Radio its premises. Roland Joint Chairman of the club said "We welcome Red Sands Radio with open arms, we're about to undergo a major refurbishment of our club house at the old Steam Packet public house. The radio will help promote the activities and the fast growing membership of the club"

Radio Red Sands launches on 4<sup>th</sup> July 2009. For more information contact Red Sands Radio, PO Box 299, Whitstable, Kent, CT5 2YA or telephone 07961 601 893

*Bob Le-Roi - Programme Director*
