Communicate

It's getting closer to the launch of Red Sands Radio who have just announced that the I.T communications Keison International has once again signed to the station

Keison International M.D Keir Argent a long time fan of the Offshore Radio stations said "Red Sands Radio somehow manages to capture the spirit and magic of original Offshore Radio. I was delighted with the way the station handled our sponsorship last year and we're pleased to continue to support of the adventurous project"

Keison International is a long established provider of I.T solutions and Voice Over Internet Protocol (VoIPon) solutions for the 21st century worldwide
