## Press Release 7

### *Mass Communicator*

Communication is changing at an ever-faster rate as today's I.T demands technically efficient voice over Internet communication. So it's with pleasure Red Sands Radio welcomes aboard 'Select Sponsor Partner' VoIPon Solutions

VoIPon Managing Director Keir Argent said "Red Sands Radio uses the familiar Amplitude Modulated Transmitters for its output. Make no mistake Medium Wave & conventional analogue frequencies are set for big changes in future communication, we at VoIPon are pleased to be working with Red Sands Radio a station that brings excitement back to radio"

VoIPon is a trading division of Keison International Limited successfully distributing industrial products around the world for over 20 years. VoIPon utilises this experience in the rapidly expanding area of voice over IP telecommunications technology. With a wide range of top named brands VoIPon has built an impressive portfolio of clients VoIPon is undoubtedly a market leader in voice over Internet communication.

Radio Red Sands returns on 4<sup>th</sup> July 2008, for more information telephone 07961 601 893. For more information contact Red Sands Radio, PO Box 299, Whitstable, Kent, CT5 2YA
